REVIEWS

“A Must-Read Book of Wisdom for Life... exquisite, intimate, passionate, humorous, and genuine... Carew Papritz has used his considerable writing talent to pen a story that entertains and enlightens, intrigues and inspires, charms and catalyzes change for every reader.” —*The Huffington Post*

“Deeply immersive and it has a strong sense of atmosphere...authentic...emotionally potent.”
—*Kirkus Reviews*

“A work of heart... I strongly suggest a box of tissues close by when reading it, as I assure you each word will resonate in your heart with such sweetness that your eyes will not resist. I must also warn all readers that they will be changed deeply at the end of this book.”—*Readerviews.com*

This profound book reminds all of us what life is really all about. I found myself extremely emotional throughout this entire story . . . I implore you to take a deep breath, calm your mind and give yourself time to read this incredible story. —*Kindle Book Review*

“...A powerful novel about forgiveness and love . . . an emotional read that is reminiscent of books such as "Tuesdays with Morrie" and "Five People You Meet in Heaven."—*The Deseret News*

“Every so often, there are books that grab you at the beginning and hold you spellbound to the finish . . . Love and appreciation of nature, as well as respect for humankind, leap from the pages . . . A powerful and poignant read for all. —*Readersfavorite.com*
