Teaches Us How to Create
Our Own Life-Changing
“*Legacy Life*”

“*The Legacy Letters* reveals the stories, memories, and music of a dying father which become the practical, moral, and spiritual guidebook for his children he’d never live to see, and for his wife, his redemptive story of love.”

*A Love Story about Life—
A Timeless Gift of Change
for All Generations.*

For all parents and children of any age; for spiritual seekers and the perpetually curious; for lovers of the written word and lovers of the passionate heart.

For all those who long to be reconnected with universally important values that keep our hopes alive, defend our big dreams and our belief that we can reach them, and gives us the courage we need to change our own lives . . .

Life is too short to be living it so fast! Carew reveals the back-to-basic lessons and stories—the building blocks of *The Legacy Letters*—that will help your audience re-discover how to live a deeply meaningful life for themselves and their family—to create a “*Legacy Life*” of their own.

“Deeply immersive . . . authentic . . . emotionally potent.” — *Kirkus Reviews*
